Subject: Reclamation Required, Black Desert Mining, Black Desert Mine, S/023/0088, Juab County, Utah

Dear Mr. Young:

Based on a telephone conversation you had with Wayne Western on March 1, 2010, The Division of Oil, Gas and Mining agrees to not require additional reclamation surety for the referenced mine site **provided** that reclamation is complete no later than October 1, 2010.

The Division's December 29, 2009, letter required that you increase the reclamation surety for the Black Desert mine or provide a reclamation schedule and reclaim all or a portion of the site. While the Division has not received a written reclamation schedule, we will consider the telephone discussion to be notification that you are planning to reclaim.

If the Division's understanding of the conversation differs from yours, or if reclamation is delayed, please notify us as soon as possible.

Questions or concerns about this letter can be directed to Wayne Western at 801-538-5263 or to me at 801-538-5261. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
